A penalty for unsportsmanlike conduct (Zero Tolerance) shall be assessed whenever a coach:

- Openly disputes or argues any decision by an official.
- Uses obscene or vulgar language in a boisterous manner to anyone at any time.

Any time that a coach persists in any of these actions, such coach shall be ejected from the game. If there is no other coach available at that time to finish the game, the team with the offending coach shall forfeit the game, and the game shall be immediately ended.

FIGHTING

Fighting of any kind is prohibited at the Facility.

LOCKER ROOM RULES

- A Locker Room Assignment Sheet will be available at the front desk for your team representative to sign in.
- Locker rooms are usually available to teams 30 minutes prior to your scheduled time.
- A team representative (a responsible adult) must sign for the locker room key next to the team's name on the Locker Room Assignment Sheet. (Iceoplex at Southpointe reserves the right to determine what a “responsible adult” is.)
- The team representative signing out the locker room key must then leave a set of car keys or a \$50.00 deposit with the front desk person as collateral.
- There will be a \$25.00 fee charged if a key is lost or damaged.
- The team representative **must** lock the locker room while a team is on the ice or the field. **Unlocked doors will be locked if found open.**
- When the team is finished with the locker room and all team members are gone, the team representative must lock the locker room and return the key to the front desk.
- An Iceoplex staff member will verify that the locker room has been left in a clean, undamaged state. Once the front desk is given approval, the front desk person will then release the team representative's keys or deposit.
- If any locker room damage is evident it will be documented with the digital camera in the presence of an Iceoplex manager and the team representative. Damages will be assessed and the team representative will be charged accordingly at that time.
- No alcoholic beverages are permitted in the locker rooms at anytime.
- No tobacco products are permitted to be used in the locker rooms at anytime.
- No food is permitted in the locker rooms at anytime.

ICE RESURFACING POLICY

To guarantee a smooth transition of scheduled ice time and a safe environment the following procedures must be followed:

- Please be considerate of others by making sure that your team leaves the ice at their scheduled time.
- Collection of equipment (pucks, sticks, water bottles, cones, coaching boards, etc.) should be completed before leaving the ice.
- One minute prior to the end of your ice time, the Zamboni gates will be opened to signal that it is now time to begin leaving the ice surface. All puck shooting must stop at this time.
- Once the Iceoplex staff closes the ice gates, no one is permitted on the ice during resurfacing. **NO EXCEPTIONS!**
- Ice resurfacing will **STOP** if anyone walks onto the ice and **WILL NOT RESTART** until all persons other than Iceoplex staff members have left the ice. This will result in loss of scheduled ice time.
- Iceoplex staff will open the ice gates when the next scheduled group is permitted on the ice.

Understanding and adhering to this policy will ensure a safe and pleasant experience at the Iceoplex at Southpointe.
